

TESTI 2° TRASMISSIONE ore 14-english

(italiano) Hello everyone! It's now 14:00 (italian time). As promised, we are back with our web tv that connects over 200 cities who are having their activities for Run4unity.

(portoghese) Today, thousands of youth in hundreds of cities are running, passing on the witness from one time zone to another, to say that our goal, which is a united world, is not an unreachable goal.

(inglese) Let's now start with the second part. But now we have an avalanche of news here in the studio!

(spagnolo) At 9am time of Bangkok, in Mankhaw, a village on the hills of Petchaboon, the Christian youths of different churches together with the youth coming from other religions, will go to the forest to take bamboo canes, then they will go to a near river to take some sand and stones to be used for repairing the huts of the poor.

(italiano) In New Delhi, they already finished the interreligious relay in 4 places of different religions: a Sikh temple, a Hindu temple, a Mosque, and a Catholic church.

Even if we are from different religions, we live together the **Golden Rule**: "Tutto quanto volete che gli uomini facciano a voi anche voi fatelo a loro", "Haz a los otros lo que quieres que te hagan a ti", "Faça aos outros aquilo que hostaria que fosse feito a ti", "Treat others as you want to be treated".

(italiano) What is interesting is that it is really 'golden' because it's found in the Gospel, but it is also present in all religions and is registered in the hearts of everyone. Practically, it's asking us to make other persons contented, doing things which we would like to be done to us if we were in their place. And now, we have a live transmission with the youth of Coimbatore.
